Move spirit move, set my soul on fire.
Move spirit move, rain on me all day.
Move spirit move, like a holy fire,
Like a gentle touch come fill my hearts desire.

*Lord I'm thirsty for your love
Send your spirit from high above*

Sopran: Uuuuuuuu.....

(when my soul runs dry and I don't know why I need strength to carry on)

Send your Holy spirit down – down on me.

Bridge, 4x

Move holy spirit-set my soul on fire
Move holy spirit-rain on me all day

Coda

Like a gentle touch, come fill my hearts desire.
Send your holy spirit down - send your holy spirit down-
Like a gentle touch come fill my hearts desire.
