

He's our hope

Teil A. Solo

Early in the mornin', as I seek your holy face,
I ³start out in devotion with His amazing grace.
You see He ⁵never sleeps nor slumbers
for always watching over me.
He's my ⁷hope for tomorrow, that's why I am freeeeee.

Teil B, Chorus:

⁹He's our hope – even in the midnight hour.
¹¹He's our hope, – our God gives us strength and power.
¹³He's our hope, – our God, our God we know that.
¹⁵He's our hope, – He's our hope, He's our hooooope.
